Web Vulnerability Assessment Report

Target URL: https://dribbble.com/

Scan Status: completed

Generated On: 2026-01-31 15:38:35.457542

Missing Content Security Policy (Medium)

Description: CSP header is missing, increasing XSS attack risk.

Mitigation: Define a strong Content-Security-Policy header.

Robots.txt Found (Low)

Description: Robots.txt file found at https://dribbble.com/robots.txt. Check for sensitive paths.

Mitigation: Ensure no sensitive administrative paths are disclosed.

Sitemap Found (Low)

Description: Sitemap found at https://dribbble.com/sitemap.xml.

Mitigation: Review sitemap to ensure no private URLs are listed.

Server Header Disclosure (Low)

Description: Server header reveals: nginx

Mitigation: Configure server to suppress detailed version information.
